

# EconS 582, Fall 2025

## Homework #4: Due on Friday, November 21st

Further discuss the model of your research project [HW#3], carefully explain each variable, and support your assumptions. Discuss the methodology and compare it to the existing literature (What is your contribution to the existing literature?) Provide some preliminary results and discuss them. Are your findings answering your research question? Can you derive policy recommendations?

- Your research paper should contain: Introduction (motivation, research question, literature review and brief discussion of results), Model, Results, Discussion and Conclusions. Make sure you provide references at the end of the paper.
- This assignment will be presented at the end of the semester.
- The page limit is 35 pages.
